## Year 8 Virtual Parents' Evening: Thursday 10<sup>th</sup> February 2022 4.00pm – 6.30pm

Dear parent/carer,

We would like to invite you to our Year 8 parents' evening which, due to COVID-19 restrictions, will be held virtually.

The booking system, however, will be facilitated by use of our parent portal software, INSIGHT. In order to make bookings for each teacher consultations you will need to be able to login to INSIGHT. INSIGHT can be accessed from our website at <https://www.anthonygell.co.uk/pastoral/insight/> and selecting the 'INSIGHT' icon or by opening our website page at [www.anthonygell.co.uk](http://www.anthonygell.co.uk) , by then opening the 'pastoral' tab, then 'INSIGHT' and scrolling down the page until you see the icon shown below:

INSIGHT is compatible with laptops, tablets and mobile phones. Should you have problems logging into INSIGHT, you can request a new password using the link on the login page. Should you require any further assistance, please contact the school using [enquiries@anthonygell.co.uk](mailto:enquiries@anthonygell.co.uk).

Appointments with teachers will last our usual 5 minutes. We will make every effort to ensure staff run consultations strictly to the booking slots so that parents and students are not left waiting unnecessarily. Please ensure you are available and ready to join the consultation at the precise booked time.

Once you have accessed the booking system, you will then be able to book an appointment with each of your child's teachers.

**IMPORTANT - Please note**, in a number of classes, students are taught by more than one teacher. If your child is in the groups shown in the table on the next page, we would like you to **book with the named teacher shown below** (your child's classes and teachers will be shown on their timetable). N.B. The table is not a complete list of teachers available and only displays the names of teachers where specific booking instructions apply.
