

Anthony Gell School

12 September 2022

Dear parents and carers,

Welcome to a new academic year. I hope you and your families had a good summer break and, like me, you are looking forward to the year ahead.

We received the very sad news regarding Queen Elizabeth II last week and have subsequently been informed of the date of the state funeral. I write today to confirm that AGS will be closed on Monday 19 September and we will reopen as normal for all students on Tuesday 20 September.

Yours sincerely,
