

ACTIVITY DAYS 2023

Dear Parent/Carer,

This year Anthony Gell School has organised two days of activities at the end of the summer term for students. Please see below the trips available to students and the approx prices. These two days are part of the normal school timetable, therefore are compulsory. If there are any circumstances which prevent your child from taking part in these two days, please inform the school as soon as possible.

To book activities for your child, please complete the form sent to parents via email **by Monday 17th April 2023**. Once we have all choices back to us, payment items will then be set up on parentpay for immediate payment. *Your child will not be allowed onto a trip or activity without payment (if applicable)*. Please note, if we do not get sufficient numbers to run a trip, that trip will not go ahead and you will be asked for a replacement.

If selecting a half day, please select an AM and a PM option per day.
