

## Beyond AGS

Students are required to complete an essay assignment. The 'related study' is a critical and analytical essay based on the area of practical work the students are exploring in their photography work.

Progress is discussed with the class teacher on a one-to-one basis. Targets for development of work are set.

**Related study**

Development of photography skills in an A Level standard through the refinement of ideas.

Retrieval of key photography skills, techniques, editing skills, and photographer skills and techniques for further development.

**13**

**Own theme continued**

A Level Photography students choose their own topic to explore throughout their A Level studies. This also involves an essay assignment for this qualification.

**Own Project**

**12**

Students can pick a theme from the following list of topics: portraiture, landscape photography, commercial photography, still-life photography, documentary photography, experimental imagery, editorial photography, photographic installation, the photographic process, moving image, and animation.

**Exam**

**Exam preparation**

**Transition from Year 11**
