Statement of intent

Anthony Gell School believes that in order to facilitate teaching and learning, good attendance is essential. Students cannot achieve their full potential if they do not regularly attend school.

We understand that barriers to attendance are complex, and that some students find it harder than others to attend school; therefore, we will continue to prioritise cultivating a safe and supportive environment at school, as well as strong and trusting relationships with students and parents.

We take a whole-school approach to securing good attendance, and recognise the impact that our efforts in other areas – such as the curriculum, behaviour standards, bullying, SEND support, pastoral support, and the effective use of resources such as student premium – can have on improving student attendance.

We are committed to:

- Promoting and modelling high attendance and its benefits.
- Ensuring equality and fairness for all.
- Intervening early and working with other agencies to ensure the health and safety of our students.
- Building strong relationships with families to overcome barriers to attendance.
- Working collaboratively with other schools in the area, as well as other agencies.
- Ensuring parents follow the framework set in section 7 of the Education Act 1996, which states that the parent of every child of compulsory school age shall cause them to receive efficient full-time education suitable to their age, ability and aptitude, and to any SEND they may have, either by regular attendance at school or otherwise.
- Ensuring our attendance policy is clear and easily understood by all staff, parents and students.
- Regularly monitoring and analysing attendance and absence data to identify students or cohorts that require more support.

The school's Attendance Officer is **Miss E Wood** and the Assistant Headteacher (Pastoral Care) is **Mrs H Dafforne** and can be contacted on EWood@anthonygell.co.uk and HDafforne@anthonygell.co.uk . Staff, parents and students will be expected to contact the Attendance Officer for queries or concerns about attendance.

- The attendance of their children at school.
- Promoting good attendance with their children.

Students are responsible for:

- Attending their lessons and any agreed activities when at school.
- Arriving punctually to lessons when at school.

4. Attendance expectations

The school has high expectations for students' attendance and punctuality, and will ensure that these expectations are communicated regularly to parents and students.

Students will be expected to:

- Attend school every day they are required to be at school, for the full day.
- Attend school punctually.
- Attend every timetabled lesson.

The school day will start at **8:55am**, and students will attend tutor time with their form tutors; therefore, students will be expected to be on the school site by **8:45am**. Students have their breaktime at 11:10am – 11:30am, and a further tutor time at 12:30am -12:45am. Lunch break starts at **12:45pm** and lasts until **1:30pm**.

– students will be expected to have returned from break and lunchtime and be ready to recommence learning at the stated times.

Registers will be taken as follows throughout the school day:

- The morning register will be marked by **9:10am**. Students will receive a late mark if they are not in their classroom by this time. Students attending after this time will receive a mark to show that they were on site, but this will count as a late mark.
- The morning register will close at **9:25am**. Students will receive a mark of absence if they do not attend school before this time.

Class teachers will also take informal registers at the start of each lesson period to ensure that students are attending all timetabled lessons. These registers will be analysed alongside formal registers in line with the section of this policy.

Students will be encouraged to communicate any concerns related to attendance and absence as soon as possible to the relevant member of staff.

5. Absence procedures

Parents will be required to contact via telephone and the student absence line before **8:00am** on the first day of their child's absence – they will be expected to provide an explanation for the absence and an estimation of how long the absence will last, e.g. one school day.

Where a student is absent, and their parent has not contacted the school by the close of the morning register to report the absence, attendance or pastoral staff will contact the parent via text message/telephone call as soon as is practicable on the first day that the student does not attend school.

The school will always follow up any absences in order to:

- Ascertain the reason for the absence.
- Ensure the proper safeguarding action is being taken.
- Identify whether the absence is authorised or not.
- Identify the correct code to use to enter the data onto the school census system.

Where a student is absent for more than three school days in a row, or more than 10 school days in one term without sufficient contact from parents, the Attendance Officer will conduct a home visit to ensure that child is safe and well.

The school will not request medical evidence in most circumstances where a student is absent due to illness; however, the school reserves the right to request supporting evidence where there is genuine and reasonable doubt about the authenticity of the illness.

If a student's attendance drops below 85 percent, the Attendance Officer will arrange a formal meeting with the student and their parent.

Where a student has not returned to school for 10 days after an authorised absence, or is absent from school without authorisation for 20 consecutive school days, the school will remove the student from the admissions register if the school and the LA have failed to establish the whereabouts of the student after making reasonable enquiries.

The attendance reporting structure will be as follows:

1. Tutor
2. Pastoral Managers
3. Attendance Officer
4. Assistant Headteacher (Pastoral)
5. Headteacher

6. Attendance register

The school uses SIMS and Talaxy to keep attendance registers to ensure they are as accurate as possible and can be easily analysed and shared with the appropriate authorities.

Designated staff members will take the attendance register at the start of each school day and at the start of the afternoon session.

This register will record whether students are:

- Present.
- Absent.
- Attending an approved educational activity.
- Unable to attend due to exceptional circumstances.

The school will use the national attendance codes to ensure attendance and absence are monitored and recorded in a consistent way. The following codes will be used:

- / = Present in the morning
- \ = Present in the afternoon
- L = Late arrival before the register has closed
- C = Leave of absence granted by the school
- H = Authorised holiday
- E = Excluded but no alternative provision made
- I = Illness
- M = Medical or dental appointments
- R = Religious observance
- S = Study leave
- T = Gypsy, Roma and Traveller absence
- G = Unauthorised holiday
- N = Reason not yet provided
- O = Unauthorised absence
- U = Arrived after registration closed
- D = Dual registered at another educational establishment
- B = Off-site education activity
- J = At an interview with prospective employers, or another educational establishment
- P = Participating in a supervised sporting activity
- V = Educational visit or trip
- W = Work experience
- Y = Exceptional circumstances
- Z = Student not on admission register

When the school has planned in advance to be fully or partially closed, the code '#' will be used for the relevant students who are absent. This code will also be used to record year groups who are not due to attend because the school has set different term dates for different years, e.g. induction days.

Students who are absent from school but are receiving remote education for any reason will be marked as absent in the register.

All amendments made to the attendance register will include the original entry, the amended entry, the reason for the amendment, the date of amendment and the name and role of the person who made the amendment.

Every entry received into the attendance register will be preserved for three years.

7. Authorising parental absence requests

Parents will be required to request certain types of absence in advance. All requests for absence will be handled by the Assistant Headteacher (Pastoral) – the decision to grant or refuse the request will be at the sole discretion of the Assistant Headteacher and Headteacher, taking the best interests of the student and the impact on the student's education into account. The Headteacher's decision is not subject to appeal; however, the school will be sympathetic to requests for absence by parents, and will not deny any request without good reason.

Leave of absence

The school will only grant a student a leave of absence in exceptional circumstances. In order to have requests for a leave of absence considered, the school will expect parents to contact the Headteacher in writing at least two weeks prior to the proposed start date of the leave of absence, providing the reason for the proposed absence and the dates during which the absence would be expected to occur.

Any requests for leave during term time will be considered on an individual basis and the student's previous attendance record will be taken into account. Where the absence is granted, the Headteacher will determine the length of time that the student can be away from school. The school is not likely to grant leaves of absence for the purposes of family holidays.

Requests for leave will not be granted in the following circumstances:

- During Year 7 when a student is settling into the school, unless certain exceptional circumstances apply, e.g. the death of a family member
- Immediately before and during assessment periods including GCSE and A Level examinations
- When a student's attendance record shows any unauthorised absence
- Where a student's authorised absence record is already above 10 percent for any reason

If term-time leave is not granted, taking a student out of school will be recorded as an unauthorised absence and may result in sanctions. Parents/carers may be issued with a Penalty Notice should leave be taken which is not authorised. If unpaid this could lead to prosecution under section 441 (1) of the Education Act 1996. The school cannot grant leaves of absence retrospectively; therefore, any absences that were not approved by the school in advance will be marked as unauthorised.

Illness and healthcare appointments

Parents will be expected to make medical or dental appointments outside of school hours wherever possible. Where this is not possible, parents will be expected to obtain approval for their child's absence to attend such appointments as far in advance as is practicable. Parents will be responsible for ensuring their child misses only the amount of time necessary to attend the appointment.

Performances and activities, including paid work

The school will ensure that all students engaging in performances or activities, whether they receive payment or not, which require them to be absent from school, understand that they will be required to obtain a licence from the LA which authorises the school's absence(s).

Additional arrangements will be made by the school for students engaging in performances or activities that require them to be absent from school to ensure they do not fall behind in their

education – this may involve private teaching. These arrangements will be approved by the LA who will ensure that the arrangements are suitable for the student.

The student will receive education that, when taken together over the term of the licence, amounts to a minimum of three hours per day that the student would be required to attend a school maintained by the LA issuing the licence. This requirement will be met by ensuring a student receives an education:

- For not less than six hours a week; and
- During each complete period of four weeks (or if there is a period of less than four weeks, then during that period), for periods of time not less than three hours a day; and
- On days where the student would be required to attend school if they were attending a school maintained by the LA; and
- For not more than five hours on any such day.

Where a licence has been granted by the LA and it specifies dates of absence, no further authorisation will be needed from the school. Where an application does not specify dates, and it has been approved by the LA, it is at the discretion of the Headteacher to authorise the leave of absence for each day. The Headteacher will not authorise any absences which would mean that a student's attendance would fall below 96%. Where a licence has not been obtained, the Headteacher will not authorise any absence for a performance or activity.

Religious observance

Parents will be expected to request absence for religious observance at least two weeks advance.

The school will only accept requests from parents for absence on grounds of religious observance for days that are exclusively set apart for religious observance by the relevant religious body. The school will define this as a day where the student's parents would be expected by an established religious body to stay away from their employment to mark the occasion.

The school may seek advice from the religious body in question where there is doubt over the request.

Gypsy, Roma and Traveller absence

Where a student's parent belongs to a community covered by this code and is travelling for occupational purposes, the parent will be expected to request a leave of absence for their child at least two weeks in advance. Absences will not be granted for students from these communities under this code for reasons other than travel for occupational purposes.

8. SEND- and health-related absences

The school recognises that students with SEND and/or health conditions, including mental health issues, may face greater barriers to attendance than their peers, and will incorporate robust procedures to support students who find attending school difficult.

In line with the SEND Policy and Supporting Students with Medical Conditions Policy, the school will ensure that reasonable adjustments are made for disabled students to reduce barriers to attendance, in line with any EHC plans or IHPs that have been implemented. The school will secure additional support from external partners to help bolster attendance where appropriate.

Where the school has concerns that a student's non-attendance may be related to mental health issues, parents will be contacted to discuss the issue and whether there are any contributory factors to their child's lack of attendance. Where staff have a mental health concern about a student that is

also a safeguarding concern, they will inform the DSL and the Child Protection and Safeguarding Policy will be followed. All students will be supported with their mental health in accordance with the school's Social, Emotional and Mental Health (SEMH) Policy.

If a student is unable to attend school for long periods of time due to their health, the school will:

- Inform the relevant body if a student is likely to be away from the school for more than 15 school days.
- Provide the relevant body with information about the student's needs, capabilities and programme of work.
- Help the student reintegrate at school when they return.
- Make sure the student is kept informed about school events and clubs.
- Encourage the student to stay in contact with other students during their absence.

The school will incorporate an action plan to help any students with SEND and/or health issues cope with the stress and anxiety that attending school may cause them. Such plans will be regularly monitored and reviewed until the student is attending school as normal and there has been signs of significant improvement.

To support the attendance of students with SEND and/or health issues, the school will consider:

- Holding termly meetings to evaluate any implemented reasonable adjustments.
- Incorporating a Pastoral Support Plan (PSP).
- Carrying out strengths and difficulties questionnaire.
- Identifying students' unmet needs through the Early Help Assessment process and Team Around the Family meetings.
- Using an internal or external specialist.
- Enabling a student to have a reduced timetable.
- Ensuring a student can have somewhere quiet to spend lunch and breaktimes.
- Implementing a system whereby students can request to leave a classroom if they feel they need time out.
- Temporary late starts or early finishes.
- Phased returns to school where there has been a long absence.
- Small group work or on-to-one lessons.
- Tailored support to meet their individual needs.

9. Absence in exceptional circumstances

Exceptional circumstances will include when a student is unable to attend because:

- Transport provided by the school, LA or parent is not available and the student's home is not within walking distance.
- There has been widespread disruption to travel services which has prevented the student from attending.
- The student is in custody and will be detained for less than four months.

The use of the 'Y' code for exceptional circumstances will be collected in the school census for statistical purposes.

10. Truancy

Truancy will be considered as any absence of part, or all, of one or more days from school, during which the school has not been notified of the cause behind such absence.

All staff will be actively engaged in supporting the regular attendance of students, and understand the importance of continuity in each student's learning.

Any student with permission to leave the school during the day must sign out at the school office and sign back in again on their return.

Immediate action will be taken when there are any concerns that a student might be truanting. If truancy is suspected, the Headteacher is notified, and they will contact the parent in order to assess the reasons behind the student not attending school.

The following procedures will be taken in the event of a truancy:

- In the first instance, parents/carers of the student will be contacted, informing them of the truancy and stating that any future occurrences could result in further action being taken.
- If any further truancy occurs, then the school will consider issuing a penalty notice.
- A penalty notice will be issued where there is overt truancy, inappropriate parentally-condoned absence, excessive holidays in term-time and persistent late arrival at school.

11. Missing children

Students will not be permitted to leave the school premises during the school day unless they have permission from the school. The following procedures will be taken in the event of a student going missing whilst at school:

- The member of staff who has noticed the missing student will inform the Attendance Officer, Pastoral Manager or the Assistant Headteacher. The member of staff will use On Call on Talaxy to alert Pastoral Managers immediately.
- The office staff will also be informed as they will act as a point of contact for receiving information regarding the search.
- A member of staff will stay with the rest of the class, and other available members of staff will conduct a thorough search of the school premises as directed by the Headteacher and Assistant Headteacher.
- The following areas will be systematically searched:
 - All classrooms
 - All toilets
 - Changing rooms
 - The library
 - Any outbuildings
 - The school grounds
- Available staff will begin a search of the area immediately outside of the school premises, and will take a mobile phone with them so they can be contacted.
- If the student has not been found after 10 minutes, then the parents of the student will be notified.
- The school will attempt to contact parents using the emergency contact numbers provided.
- If the parents have had no contact from the student, and the emergency contacts list has been exhausted, the police will be contacted.
- If the missing student has an allocated social worker, is a looked-after child, or has any SEND, then the appropriate personnel will be informed. The Designated Safeguarding Lead (DSL) is informed and stays in communication with the social worker for the child in order to support finding the missing child.
- When the student has been located, members of staff will care for and talk to the student to ensure they are safe and well.

- Parents and any other agencies will be informed immediately when the student has been located.

The Headteacher will take the appropriate action to ensure that students understand they must not leave the premises, and sanctions will be issued if deemed necessary. Appropriate disciplinary procedures will be followed in accordance with the Behaviour Policy.

The designated safeguarding lead will carry out a full investigation, and will draw a conclusion as to how the incident occurred. A written report will be produced, and policies and procedures will be reviewed in accordance with the outcome where necessary.

12. Attendance intervention

In order to ensure the school has effective procedures for managing absence, the Attendance Officer, supported by the Assistant Headteacher (Pastoral), will:

- Establish a range of specific, evidence-based interventions to address barriers to attendance.
- Monitor the implementation and quality of escalation procedures and seek robust evidence of the escalation procedures that work.
- Attend or lead attendance reviews in line with escalation procedures.
- Establish robust escalation procedures which will be initiated before absence becomes a problem by:
 - Sending letters to parents.
 - Having a weekly tutor review, run by Heads of Year
 - Engaging with Relevant bodies.
 - Using fixed penalty notices.
 - Creating attendance clinics.
 - Attendance panels.

The school will use attendance data, in line with the '[Monitoring and analysing absence](#)' section of this policy, to develop specific strategies to improve attendance where patterns of absence are emerging. These strategies will be developed on a case-by-case basis, and will consider the particular needs of the students whom the intervention is designed to target.

The school will aim to improve attendance in the overall school cohort by acknowledging good attendance in the following ways:

- Rewards afternoon's in school
- Weekly positive points
- Communication/postcards home for improved attendance
- Termly Attendance certificates

School trips and events will be considered a privilege. Where attendance drops below 90 percent, these privileges may be taken away. The school will develop strategies for ensuring that students with health needs or home circumstances that result in additional absences are not unfairly excluded from attendance rewards, e.g. by setting individualised targets.

13. Working with parents to improve attendance

The school will work to cultivate strong, respectful relationships with parents and families and work to build trust and engagement. Open and honest communication will be maintained with students and their families about the expectations of school life, attendance and performance so that they understand what to expect and what is expected of them. The school will liaise with other agencies working with students and their families to support attendance, e.g. social services.

The school will ensure that there are two sets of emergency contact details for each student wherever possible to ensure the school has additional options for getting in touch with adults responsible for a student where the student is absent without notification or authorisation.

The school will ensure that parents are aware of their legal duty to ensure that their child attends school regularly and to facilitate their child's legal right to a full-time education – parents will be made aware that this means their child must attend school every day that it is open, save for in certain circumstances, e.g. sickness or absences that have been authorised by the Headteacher in advance. The school will regularly inform parents about their child's levels of attendance, absence and punctuality, and will ensure that parents are aware of the benefits that regular attendance at school can have for their child educationally, socially and developmentally.

If a pattern of absence becomes problematic, the Attendance Officer will work collaboratively with the student and their parents to improve attendance by addressing the specific barriers that prevent the student from being able to attend school regularly. The school will always take into consideration the sensitivity of some of the reasons for student absence and will approach families to offer support rather than immediately reach for punitive approaches.

Where these barriers are related to the student's experience in school, e.g. bullying, the Attendance Officer will work with the Assistant Headteacher (Pastoral) and any relevant school staff, e.g. the DSL and SENCO, to address this. Where the barriers are outside of the school's control, e.g. they are related to issues within the student's family, the Attendance Officer will liaise with any relevant external agencies or authorities, e.g. children's social care or the LA, and will encourage parents to access support that they may need.

14. Persistent absence (PA)

There are various groups of students who may be vulnerable to high absence and PA, such as:

- Children in need
- LAC
- Young carers
- Students who are eligible for FSM
- Students with EAL
- Students with SEND
- Students who have faced bullying and/or discrimination
- Students who are In-Year Transfers

The school will ensure it provides support to students at risk of PA, in conjunction with all relevant external authorities where necessary.

The school will use a number of methods to help support students at risk of PA to attend school. These include:

- Offering catch-up support to build confidence and bridge gaps in learning.
- Meeting with the student and their parent to discuss patterns of absence, barriers to attendance, and any other problems they may be having.
- Establishing plans to remove barriers and provide additional support.
- Leading weekly check-ins to review progress and assess the impact of support.
- Making regular contact with the student's parent to discuss progress.
- Assessing whether an EHC plan or IHP may be appropriate.
- Considering what support for re-engagement might be needed, including with regard to additional vulnerability.

The school will focus particularly on students who have rates of absence over 50 percent, and will work with the LA and other partners to engage all relevant services needed to identify and address the wider barriers to attendance these students are facing.

Where a student at risk of PA is also at increased risk of harm, the school will work in conjunction with all relevant authorities, e.g. social services, to support the student in line with the school's duty of care. The school will also bear in mind that the continuation of severe PA following intervention may, in itself, constitute neglect, and will escalate any concerns in this regard in line with the Child Protection and Safeguarding Policy.

15. Legal intervention

The school will allow sufficient time for attendance interventions and engagement strategies to improve students' attendance; however, where engagement strategies to improve attendance have not had the desired effect after one term, the Attendance Officer will consider:

- Holding a formal meeting with parents and the school's point of contact re attendance.
- Working with the relevant body to put a parenting contract or an education supervision order in place.
- Engaging children's social care where there are safeguarding concerns.

Where the above measures are not effective, the Headteacher will issue a fixed penalty notice in line with the LA's code of conduct.

Where attendance still does not improve following a fixed penalty notice, the school will work with the LA to take forward attendance prosecution as a last resort.

16. Monitoring and analysing absence

The Attendance Officer will monitor and analyse attendance data weekly to ensure that intervention and support is delivered quickly to address habitual absence at the first signs.

The school will collect data regarding punctuality, truancy, and authorised and unauthorised absence, for:

- The school cohort as a whole.
- Individual year groups.
- Year groups preparing for exams.
- Individual students.
- Demographic groups, e.g. students from different ethnic groups or economic backgrounds.
- Other groups of students, e.g. students with SEND, LAC and students eligible for FSM.
- Students at risk of PA.

The Attendance Officer will conduct thorough analysis of the above data on a half-termly, termly and full-year basis to identify patterns and trends. This will include identifying, for each group:

- Patterns in uses of certain codes.
- Particular days of poor attendance.
- Subjects which have low lesson attendance.
- Historic trends of attendance and absence.
- Barriers to attendance.

The Attendance Officer/Assistant Headteacher (Pastoral) will provide regular reports to staff across the school to enable them to track the attendance of students and to implement attendance

procedures. The Attendance Officer will also be responsible for monitoring how attendance data changes in response to any interventions implemented to increase attendance in future.

The governing board will regularly review attendance data, including examinations of recent and historic trends, and will support the SLT in setting goals and prioritising areas of focus for attendance support based on this data.

The school will also benchmark its attendance data against local-, regional- and national-level data to identify areas of success and areas for improvement and will share practice which has been shown to be effective with other schools.

The board of trustees will ensure staff from different schools within the trust regularly share expertise and collaborate on interventions.

17. Training of staff

The school will recognise that early intervention can prevent poor attendance. As such, staff will receive training in identifying potentially at-risk students as part of their induction and refresher training.

The governing board will ensure that teachers and support staff receive training in line with this policy as part of their induction. Following this initial training, staff will be offered regular and ongoing training as part of their CPD opportunities.

Training will cover at least the following:

- The importance of good attendance
- That absence is almost invariably a result of wider circumstances
- The legal requirements on schools, e.g. the keeping of registers
- The school's strategies and procedures for monitoring and improving attendance
- The school's procedures for multi-agency working to provide intensive support for students who need it

The governing board will provide dedicated and enhanced attendance training to the Attendance Officer and other staff with specific attendance functions in their role – this will include training regarding interpreting and analysing attendance data and supporting students to overcome barriers to attendance.

Staff will receive training to ensure they understand that increased absence from school could indicate a safeguarding concern and know how such concerns should be managed.

18. Monitoring and review

Attendance and punctuality will be monitored throughout the year. The school's attendance target is 97%.

Any changes made to this policy will be communicated to all relevant stakeholders via publication of this policy on the school's intranet and website.

Attendance Monitoring Procedures

1. Attendance will be discussed with student's Tutor/Pastoral Manager and students will record their attendance on the sheets. Any attendance/punctuality trends noticed by Tutor should be passed immediately to heads of Pastoral Managers and Attendance Officer.
2. Contact will be made with parents on the first day of absence for any student absence not reported. Any N codes not established after a week will be recorded as unauthorised absence.
3. Student attendance drops below 95% – the Pastoral Manager who will speak to students to discuss any issues or problems to ascertain how the school can help to improve their attendance. Pastoral Manager will make a phone call home, if applicable.
4. Student attendance drops below 93% – Our Attendance Officer will send a letter will home raising concerns that attendance has fallen below the school target of 95 percent. The letter will also have a leaflet attached outlining how parents can work with the school and their child to help improve attendance.
5. Student attendance drops below 90% – a letter from the Attendance Officer will be sent home explaining that a student's absence is now being monitored. Attendance Officer will contact parents. Attendance monitored for two weeks. If attendance has not improved, then parents will be required to attend a meeting in school with their child's Pastoral Manager and Attendance Officer. If parents are unwilling to co-operate, or genuinely unable to attend next steps to be adopted.
6. If attendance has not improved within the two-week monitoring period (likely to be close to 85% or below), or if attendance has fallen rapidly, parents will be invited to either: a school attendance panel meeting with Attendance Officer and Assistant Headteacher (Pastoral), or a medical action planning meeting with the school nurse, Pastoral Manager, Attendance Officer and SENCo. Provision will be discussed and targets will be set for raising attendance. This will be monitored over a further two-week period.
7. After the two-week monitoring period, if targets are met, a letter will be sent home from the leadership team to congratulate the student and the family. Monitoring and communication with the family will continue until attendance stabilises – if targets are not met, the Attendance Officer or Assistant Headteacher will make a referral to the relevant bodies/agencies.
8. Education Welfare protocol will be followed and a parental contract will be drawn up – there will be a four week monitoring period. No improvements in this time will result in a final written warning. If there is still no further improvement following this, then a fixed penalty notice will be issued.
