How can I support my child in their learning journey?

How can I support my child in their revision?

Flashcards: Question on one side – answers on the other. Ideal for then testing themselves or being tested by a friend / adult.

Start Big, go small: The first time they revise a topic fill an A3 sheet, then the next time reduce it to A4 and eventually to a flashcard. This encourages them to disregard the information they know between one revision sessions and the next.

Mind maps / diagrams: Good for more visual revision ie the human body, sections of the river..

Exam Question practice: Invaluable but cannot be used on its own as it doesn't actually help students learn what they don't know.

Online revision: lots of sources available. Next are the ones we recommend.

Expectations

Arrive to school equipped to learn:

Students must bring a bag to school for books, pencil cases and calculator. Phones need to be in bags during lessons. Pencil cases must contain pens, pencils, a ruler, a pencil sharpener, a rubber, glue stick & safety scissors.

Arrive punctually: students have a MAXIMUM of two minutes to transition between lessons

Line up outside the classroom, enter quietly and ALWAYS follow the seating plan

Silence for the register

Do not disrupt others in their learning

Possession of phones, headphones and in-appropriate use of smartwatches will result in confiscation

Exit in an orderly manner as directed by staff

Clubs and Activities to get involved in.

- Revision clubs will be widely available thanks to our dedicated staff team willing to give up their time to this.
- Some revision sessions will be available all year while others will be available at key points in the year.
- We space the revision clubs out between lunchtimes and afterschool (as well as some in the school holidays) but there will inevitably be overlap. Please do all you can to help your children attend these sessions.
- Mr Lovatt will send information home regarding the mock exams when it is appropriate. We will always talk to students also but please keep a regular eye on your email and check your email address in school is up to date.
- Geography fieldwork and other curriculum based visits
