Anthony Gell School

Information for Parents/Carers

This year Anthony Gell School has organised two days of activities at the end of the summer term for students; **Wednesday 22nd July and Thursday 23rd July 2026**. Please see overleaf the activities available to students and approximate prices.

If your child is going on the music trip to Germany, you **DO NOT** need to complete this form.

To book activities for your child, please complete the Activity Days form by Friday 10th April 2026. This is to allow time for us book tickets and arrange coaches. Failure to complete the form by this date could result in your child not being able to participate in any out of school activity.

These two days are part of the normal school timetable, therefore are compulsory. If there are any circumstances which prevent your child from taking part in these two days, please inform the school by emailing agsmedia@anthonygell.co.uk instead of completing the attached form.

Once we have all choices back to us, **you will be notified** when payments have been set up on parentpay for payment. Your child will not be allowed onto an activity without payment (if applicable). If we do not get sufficient numbers to run an activity, that activity will not go ahead and you will be asked to choose a replacement activity.

Places on all activities will be allocated on a first come, first served basis, based on the date and time the form is completed, this is due to some activities having limited places available.

If selecting a half day, please select an AM and a PM option per day.

*Participation on these activities is at the discretion of the Visit Leaders, in consultation with the Senior Leadership Team and in accordance with our Charging and Behaviour Policies. Pupils are expected to exhibit excellent behaviour, conduct and attendance at the school to be considered for and to retain their place on the activity. If a pupil's behaviour falls below the expected criteria prior to the visit, then their place will be forfeited. We must stress that the payment will be non-refundable and only transferable to another name at a cost to you, once the tickets have been secured.
