

25th March 2026

Dear Parents and Carers,

As we reach the end of this spring term, I want to take a moment to thank you for your continued support and partnership. It has been a busy and productive few months in school, filled with learning, enrichment, and many moments that remind us how fortunate we are to work with such a wonderful community of students and families.

This term has seen students working incredibly hard, supporting one another, and embracing opportunities both inside and outside the classroom. Whether through academic progress, creative achievements, sporting participation, or acts of kindness, our students have shown great resilience and enthusiasm. Staff have equally worked tirelessly to provide high-quality teaching, support and care, and I am grateful to them for their commitment.

Our Spring Newsletter which is available via the following link will provide a reminder of just some of the activities that have been highlights of this term. [Spring Newsletter](#)

I wish to take this opportunity to also praise and thank our students for the way in which they have responded to the changes in our expectations surrounding their use of mobile phones in school. I was under no illusions that this was going to be a significant change for almost all students, and I knew how difficult some would find it.

To their credit, the students have been outstanding. The maturity of their response has been another standout feature of this term. I am also delighted to see our students and your children using breaks and lunchtimes to play, socialise, relax, and enjoy themselves without the need of the devices covered in our new policy. Thank you for your help in making this change a change for the better.

As we look ahead to the Easter break, I hope all families are able to enjoy some well-deserved rest and time together.

School will reopen to students on **Monday 13th April**. We look forward to welcoming everyone back refreshed and ready for the exciting term ahead.

Thank you once again for your ongoing support. It truly makes a difference.

Kind regards,

Malcolm Kelly
Headteacher
